- (b) The Customer has provided on its Application a list of representatives authorized to provide such instructions and enter into any Transaction with EncoreFX, which the Customer may update by providing EncoreFX with written confirmation of same in a form acceptable to EncoreFX. EncoreFX will attempt to determine that instructions from the Customer are being provided by a Customer authorized representative before entering into a Transaction with the Customer, provided that EncoreFX shall not be liable for any losses incurred by the Customer resulting from any unauthorized representative of the Customer providing instructions to EncoreFX. The onus rests with the Customer to ensure that only its authorized representatives provide instructions to EncoreFX or enter into a Transaction with EncoreFX or use the Services.
- (c) In order to communicate instructions to EncoreFX through an Online Ordering System, the Customer will provide a password for the use of such system. The Customer represents that only authorized representatives will use such Online Ordering System, and acknowledges and agrees that protection of the password is the responsibility of the Customer. EncoreFX shall be entitled to assume that anyone using the password is an authorized representative of the Customer, and shall not be responsible for any losses resulting from the use of the password by an unauthorized representative.

5.2 The following procedures shall apply with respect to the entry into and confirmation of Transactions between the Customer and EncoreFX:

- (a) In order to enter into a Transaction, the Customer must clearly authorize and accept each Transaction, and EncoreFX must clearly indicate its receipt of instructions from the Customer. If the instructions are provided via telephone, such authorization and acceptance shall be provided by the Customer to EncoreFX over the telephone, and such indication of receipt shall be provided by way of EncoreFX’s positive affirmation of its receipt of instructions over the telephone. If the instructions are provided via facsimile transmission, such authorization and acceptance shall be clearly indicated by the Customer in the facsimile transmission, and such indication of receipt shall be provided by EncoreFX by return email. - (b) The terms of each Transaction, per the instructions provided to EncoreFX by the Customer, shall be outlined in the **Confirmation**, which will be provided to the Customer by EncoreFX after the Customer and EncoreFX have entered into each Transaction. Failure to provide such Confirmation for any reason shall not invalidate any Transaction, the Confirmation being a record only of the Transaction. The records of EncoreFX (absent any manifest errors) shall constitute conclusive evidence of the terms and conditions of any Transaction.
- (c) The Parties enter in a Transaction once the Customer’s instructions regarding a Transaction have been accepted by EncoreFX in accordance with Section 5.2(a). After a Transaction is entered into by the Parties, the Customer shall be bound to complete the Transaction in accordance with the terms and conditions of the Transaction and in accordance with these Master Terms and Conditions.
- (d) Upon entry into the Transaction the Customer shall forthwith make any required contractual payment to EncoreFX.

5.3 The following procedures shall apply with respect to payments made by the Customer to EncoreFX:

- (a) The Customer may be required to pay a deposit in order to effect the Transaction, as set out in the **Credit Facility Letter**. The deposit may be a fixed amount, a floating **Margin Deposit** or a combination of the two types of deposit, as specified by EncoreFX.

- (b) At the discretion of EncoreFX, certain Customers shall be required to maintain margins with respect to certain accounts or Transactions, as set out in the Credit Facility Letter. From time to time, EncoreFX may issue a **Margin Call** to such a Customer to ensure that the Customer is maintaining the appropriate deposit margin in its account. Upon the issuance of such a Margin Call, the Customer shall forthwith deposit the funds required to maintain the appropriate margin with EncoreFX. In the event that the Customer fails to either pay a deposit or respond to the Margin Call by depositing such required funds within two (2) **Business Days**, the Customer shall be in default under the Transaction, which shall cause a default under all pending Transactions and EncoreFX shall, at its sole discretion and without further notice and in addition to any other rights it may have herein, have the right to: i) close out the Customer's account and terminate the contract which relates to the specific Service or Transaction; ii) terminate and close out any other pending Transaction/contract for Services with the Customer; and iii) set off amounts owed to the Customer including any gains on contracts closed out (terminated) against any losses incurred and amounts then owing to EncoreFX on Transactions with the Customer.
- (c) The Customer may provide funds to EncoreFX by way of: i) **Bank Draft**; ii) **Certified Cheque**; iii) **Wire Transfer**; iv) ACH transfer; v) electronic funds transfer; or vi) authorizing EncoreFX to debit its account (also known as pre-authorized debit) with the Customer's Bank or any other financial institution.
- (d) The Customer is to ensure that any **Bank** account used for payments is in its own name. Should a third party make a payment to EncoreFX on behalf of the Customer, the Customer shall forthwith notify EncoreFX and provide EncoreFX with all information requested by EncoreFX concerning the third party, including without limitation the banking information and/or the nature of the relationship between the Customer and the third party. The Customer shall ensure that there are sufficient funds in its Bank account to make the payments to EncoreFX. The payment of any NSF or related fees incurred as a result of having insufficient funds to clear the payment in question shall be the responsibility of and charged to the Customer. The Customer indemnifies EncoreFX from and against any claims or losses arising out of the Customer's misrepresentation as to the ownership of any Bank account.
- (e) Under any circumstance in which monies are owed to EncoreFX by the Customer pursuant to this Agreement or any Transaction, EncoreFX will provide notice to the Customer of such outstanding amounts. Upon receiving such notice, the Customer shall have two (2) Business Days (unless otherwise agreed to in writing by EncoreFX) to provide such amounts to EncoreFX. Failure to provide the required amount to EncoreFX shall be a default under any and all contracts for Services and Transactions pending or in place with EncoreFX.

5.4 The following procedures shall apply with respect to the processing of Transactions between the Customer and EncoreFX:

- (a) EncoreFX shall use commercially reasonable efforts to process Transactions on the day on which they are authorized. EncoreFX cannot guarantee that such Transactions will be processed on the day on which they are authorized, and is not responsible for the timeliness of other financial institutions in processing such Transactions. Absent gross negligence or willful misconduct on the part of EncoreFX, EncoreFX shall not be liable for any losses suffered by the Customer resulting from a Transaction not being processed on the day on which it was authorized.
- (b) If the Customer wishes to cancel, amend or reverse a payment, transfer or any other action undertaken by EncoreFX under a Transaction for any reason whatsoever, the Customer must contact EncoreFX directly to do so. EncoreFX shall use commercially reasonable efforts to effect such cancellation, amendment or reversal, but cannot guarantee that such cancellation, amendment or reversal will be possible. EncoreFX shall not be responsible for any costs or losses incurred by the Customer resulting from EncoreFX's failure or inability to cancel, amend or reverse a payment, transfer or any other action undertaken by EncoreFX under a Transaction. 5.6 EncoreFX shall be entitled to cancel any Transaction where the Customer has not carried out its obligations. The Customer shall reimburse EncoreFX for any losses, costs and expenses incurred as a result of such cancellation.

5.7 EncoreFX reserves the right to refuse to provide the Services to the Customer or enter into any Transaction with the Customer at any time for any reason whatsoever.

ARTICLE 6 – FORWARD CONTRACTS

6.1 Forward Contracts must not be entered into by a Customer with EncoreFX for the purpose of Speculation or investment. By entering into a Forward Contract with EncoreFX, the Customer is deemed to represent and warrant to EncoreFX at that time and at all times thereafter that the purpose of the Forward Contract is solely for Hedging.

6.2 EncoreFX may offer to the Customer fixed delivery date Forward Contracts or flexible delivery date Forward Contracts. Any request by a Customer for a change to a **Currency** delivery date once set in the Forward Contract shall be considered by EncoreFX in its sole discretion and if accepted by EncoreFX, EncoreFX shall set a revised exchange rate applicable to the revised Forward Contract, which the Customer shall accept as a term of the revised Forward Contract.

6.3 Forward Contracts may require a Margin Deposit in an amount and on terms specified by EncoreFX which shall be stated in the Credit Facility Letter. The Margin Deposit shall be the amount specified by EncoreFX when the Forward Contract is entered into. The Margin Deposit shall be either in guaranteed funds or by a bank letter of guarantee/credit (on terms and conditions satisfactory to EncoreFX including without limitation, the issuing bank and the maturity date) and must be paid within two (2) Business Days. In the event that the Margin Deposit is not received within two (2) Business Days EncoreFX shall at its sole discretion and without further notice, have the right to i) close out the Customer's account and terminate the contract which relates to the specific Service or Transaction; ii) terminate and close out any other pending Transaction/contract for Services with Customer; and iii) set off amounts owed to the Customer including any gains on contracts closed out (terminated) against any Losses incurred and amounts then owing to EncoreFX on Transactions with Customer. Where a Margin Deposit is placed on a floating basis for the Forward Contract, the Customer agrees to submit to EncoreFX additional deposit funds/letter of guarantee (the "**Additional Margin Deposit**") when EncoreFX determines that the mark-to-market potential loss on the Forward Contract exceeds the prescribed amount established with EncoreFX in the Credit Facility Letter. EncoreFX shall determine the mark-to-market value of a Forward Contract at a given point on a daily basis on each business day based upon the **Mid-Market Rate**. The Customer agrees to accept and be bound by such mark-to-market value determination as made by EncoreFX.

6.4 EncoreFX shall have the right, in its sole discretion, to notify a Customer at any time that an Additional Margin Deposit is required as determined by EncoreFX in accordance with [Section 6.3](#). The Customer agrees that upon such notification from EncoreFX, the Customer will have two (2) Business Days from notification to provide to EncoreFX the Additional Margin Deposit. The amount of the Additional Margin Deposit shall be that amount determined by EncoreFX which is sufficient to ensure that the Margin Deposit together with the Additional Margin Deposit held by EncoreFX for the particular Forward Contract on a mark-to-market value is at least the minimum prescribed amount established by EncoreFX for the Forward Contract as established in the Credit Facility Letter.

6.5 Should the Customer not: (i) complete the Forward Contract by the required Settlement Date(s), or (ii) pay to EncoreFX any Margin Deposit, including any required Additional Margin Deposit, then in that event, EncoreFX shall no longer be obligated to complete the Forward Contract and at EncoreFX's sole discretion, any other pending Transaction including any other Forward Contract(s) with the Customer. In addition, EncoreFX shall have the right to: (i) sell the necessary covering Currency to terminate the Forward Contract(s), (ii) charge the Customer with the damages, losses (including loss of profit), costs and expenses incurred by EncoreFX (the "**Losses**"), and (iii) apply the Margin Deposit, the Additional Margin Deposit and any other deposit or funds on hand then held by EncoreFX to pay the Losses. Should the Margin Deposit, the Additional Margin Deposit and any other deposit or funds on hand then held by EncoreFX not be sufficient to reimburse and indemnify EncoreFX for the Losses incurred, the Customer agrees to forthwith pay to EncoreFX any additional amount required to cover such shortfall.

6.6 If the Margin Deposit and any Additional Margin Deposit are not needed based upon the Customer performing its obligations under the Forward Contract to completion, EncoreFX agrees to return to the Customer the Margin Deposit or the amount thereof remaining that was not required.

ARTICLE 7 – OPTION CONTRACTS

7.1 Option Contracts must not be entered into by a Customer with EncoreFX for the purpose of Speculation or investment. By entering into an Option Contract with EncoreFX, the Customer is deemed to represent and warrant to EncoreFX at that time and at all times thereafter that the purpose of the Option Contract is solely for Hedging.

7.2 EncoreFX may offer Option Contracts comprised of any of the Options described in the Product Disclosure Statement, a copy of which the Customer has received and confirms it understands.

7.3 The Customer must indicate to EncoreFX the proposed Currency, the proposed contract amount, the type of Option it desires, the proposed option exercise (strike) price, the proposed term and the Currency in which the Customer proposes to pay any premium, if required.

7.4 EncoreFX may, at its sole discretion, require the Customer to pay a premium to spot value from the initial deal date at the time that the Option Contract is entered into or at a future time agreed to in writing between EncoreFX and the Customer. In the event that EncoreFX requires the Customer to pay a premium, the Option Contract shall not be considered in effect or binding on EncoreFX until such premium is paid.

7.5 The Customer may only exercise the Option stipulated in the Option Contract in accordance with the terms and conditions of the Option Contract by giving notice to EncoreFX of its intention to exercise said Option Contract. Exercise occurs when the Customer gives notice to EncoreFX to convert the Option Contract into the underlying foreign exchange Currency,

provided that any premium due has also been received by EncoreFX. The Customer acknowledges and agrees that if the Option Contract trades at or beyond the barrier level or is “in-the-money”, EncoreFX shall have the right to convert the Option Contract into the underlying Currency on such Option Contract’s Expiry Date.

7.6 If the Option provided for in the Option Contract has been exercised in accordance with Section 7.5, then each party to such Option Contract shall pay the Currency and amount due thereunder to the other party on the Settlement Date.

7.7 The Customer may notify EncoreFX that it desires to offset or cancel an Option Contract (a “**Notice of Cancellation**”). EncoreFX may, in its sole discretion, agree to the request in the Notice of Cancellation provided that the Customer has paid any required premium as determined by EncoreFX and any Notice of Cancellation has been received by EncoreFX before the Expiry Time on the Expiry Date of such Option Contract. EncoreFX will evaluate the relevant closing strike rate and premium and the net difference will be charged to the Customer for immediate payment.

7.8 An Option Contract will lapse at its Expiry Date if such Option Contract has not been exercised in accordance with Section 7.5 or offset in accordance with Section 7.7.

7.9 Option contracts may require a Margin Deposit (unless waived in writing by EncoreFX in its sole discretion) in an amount and on terms specified by EncoreFX, which shall be stated in the Credit Facility Letter. The amount of the Margin Deposit shall be specified at the time that the Option Contract is entered into. The Margin Deposit shall be either in guaranteed funds or by a Bank letter of guarantee or letter of credit (on terms and conditions satisfactory to EncoreFX including without limitation, the issuing Bank and the maturity date) and must be paid within two (2) Business Days. In the event that the Margin Deposit is not received within two (2) Business Days EncoreFX shall at its sole discretion and without further notice, have the right to i) close out the Customer’s account and terminate the contract which relates to the specific Service or Transaction; ii) terminate and close out any other pending Transaction/contract for Services with Customer; and iii) set off amounts owed to the Customer including any gains on contracts closed out (terminated) against any Losses incurred and amounts then owing to EncoreFX on Transactions with Customer. Where a Margin Deposit is placed on a floating basis for the Option Contract, the Customer agrees to submit to EncoreFX an Additional Margin Deposit when EncoreFX determines that the mark-to-market potential loss on the Option Contract exceeds the prescribed amount established with EncoreFX in the Credit Facility Letter. EncoreFX shall determine the mark-to-market value of an Option Contract at a given point on a daily basis based upon the Mid- Market Rate. The Customer agrees to accept and be bound by such mark-to-market value determination as made by EncoreFX.

7.10 EncoreFX shall have the right, in its sole discretion, to notify a Customer at any time that an Additional Margin Deposit is required pursuant to Section 7.9. The Customer acknowledges and agrees that upon such notification from EncoreFX, it will have two (2) Business Days from notification to provide to EncoreFX the Additional Margin Deposit. The amount of the Additional Margin Deposit shall be that amount determined by EncoreFX which is sufficient to ensure that that the Margin Deposit together with the Additional Margin Deposit held by EncoreFX for the particular Option Contract on a mark-to-market value is at least the minimum prescribed amount established by EncoreFX for the Option Contract as established in the Credit Facility Letter.

7.11 Should the Customer not: (a) complete the Option Contract as set out in the terms by the Expiry Date, or (b) pay any Margin Deposit, including any required Additional Margin Deposit, then EncoreFX shall no longer be obligated to complete the Option Contract and at its discretion, any other pending Transaction including any other Option Contract(s) with the Customer. EncoreFX shall have the right to (i) sell the necessary covering Currency to terminate the Option Contract, (ii) charge the Customer with the Losses incurred by EncoreFX, and (iii) apply the Margin Deposit or any Additional Margin Deposit and any other deposit or funds held by EncoreFX to pay the Losses. Should such amounts be insufficient to reimburse EncoreFX for the Losses, the Customer agrees to forthwith pay to EncoreFX any additional amount required to reimburse EncoreFX for the Losses.

7.12 If the Margin Deposit and any Additional Margin Deposit are not needed based upon the Customer performing its obligations under the Option Contract to completion, EncoreFX agrees to return to the Customer the Margin Deposit or the amount remaining that was not required.

ARTICLE 8 – SPECULATION/INVESTMENT NOT PERMITTED

8.1 For greater certainty, the Customer may only enter into a Transaction using a Forward Contract or an Option Contract for the purpose of Hedging against adverse price movements in a given Currency. The Customer may not enter into a Transaction using a Forward Contract or an Option Contract for the purpose of Speculation or investment. If EncoreFX, at its sole discretion, suspects that the Customer may be entering into a Transaction for the purpose of Speculation or investment, EncoreFX may immediately suspend Services and terminate any or all pending Transactions at the cost and expense of the Customer.

ARTICLE 9 – NO INTEREST PAID

9.1 EncoreFX may hold monies of the Customer in the course of providing Services under this Agreement. The Customer acknowledges and agrees that such monies will not accrue interest while held by EncoreFX. ARTICLE 10 – SET OFF

10.1 If at any time the Customer has failed to make a payment or delivery when due for a Service or pursuant to a Transaction, or is indebted to EncoreFX for any other reason, then EncoreFX may, without prior notice, apply any monies held by it on behalf of the Customer against any amount owed by the Customer to EncoreFX for any Services or Transactions entered into, against any amount owed by EncoreFX to the Customer, whether or not the amount is owed to the Customer under this Agreement or for any Transaction entered into pursuant to this Agreement.

Such information is being collected by EncoreFX for the purposes of determining the Customer’s eligibility to enter into Transactions with EncoreFX under applicable securities laws and applicable derivatives laws and completing filings that may be required by any governmental or regulatory authority. Such filings may be made to a trade repository in accordance with applicable laws and if so made, shall be available for review by the Financial Markets Authority or other applicable securities regulatory authority of New Zealand. The Customer’s information may be disclosed by EncoreFX to securities regulatory authorities, the professional advisors to EncoreFX or the Inland Revenue Department (“IRD”). By entering into these Master Terms and Conditions, the Customer is deemed to be consenting to the foregoing collection, use and disclosure of the Customer’s information.
2. **Reporting Requirement.** There is not currently a requirement under New Zealand law or securities regulation for derivatives trades to be reported to a central trade repository (“TR”). By agreeing to be bound by these Master Terms and Conditions the Customer consents to the disclosure of information in accordance with the Derivatives Reporting Requirements.

For the avoidance of doubt: (i) to the extent that applicable non-disclosure, confidentiality, bank secrecy, data privacy or other law imposes non-disclosure requirements on transactions and similar information required or permitted to be disclosed as contemplated herein but permits a party to waive such requirements by consent, the consent and

acknowledgements provided herein shall be a consent by the Customer for purposes of such law; (ii) any agreement between the Customer and another party to maintain confidentiality of information contained in any agreement between the Customer and the other party or in any non-disclosure, confidentiality or other agreement shall continue to apply to the extent that such agreement is not inconsistent with the disclosure of information in connection with the Derivative Reporting Requirements as set out herein; and (iii) nothing herein is intended to limit the scope of any other consent to disclosure separately given by us to another party.
